

IFOPA Resource Referral Form

for the Overcoming Obstacles Database

In order for everyone to benefit from the efforts of the past, the IFOPA is collecting the experiences, wisdom, adaptations, ideas, tools and other resources of the FOP community for inclusion in an online database of FOP resources called *Overcoming Obstacles*. Please complete a form like this for each idea, tool, adaptation or other resource that makes your day a little easier, safer, more functional, and less painful, despite FOP. Please include sources of helpful relevant information, such as organizations, web sites & catalogues. Completed paper forms should be sent to Jeri Licht, 27 Malvern Lane, Scarsdale, NY 10583. **Electronic submissions via www.ifopa.org/ooform.html are preferred.** Thank you!
